

Dear Rev. Fathers and Brothers

Wish you the greetings of Indian Independence Day and the blessings of the feast of the Assumption of our Lady.

Our beloved mother teaches us to find the true joy in the Lord
Joy is found in acknowledging the greatness of God and realizing one's lowliness.

Joy is found in embracing the eternity rising above the transitory
Joy is found in feeding the hungry with good things and serving them the best

Joy is found being a blessing to generations in their needs leaving our greed.

Let us learn to be the true sons of our beloved mother and true citizens of motherland. Simplicity gives more room for the soul.
May the attraction of the eternity inspire us to live the joy of evangelization and to move to the ends of the earth with the joy of the gospel!

Fr. Paul Achandy CMI
Prior General
